Student Registration

Please list the names of the students attending with your group and select which track they will be attending. Track descriptions are on the next page.

Student Name	Track (Please select one)
1.	<input type="checkbox"/> A <input type="checkbox"/> B
2.	<input type="checkbox"/> A <input type="checkbox"/> B
3.	<input type="checkbox"/> A <input type="checkbox"/> B
4.	<input type="checkbox"/> A <input type="checkbox"/> B
5.	<input type="checkbox"/> A <input type="checkbox"/> B
6.	<input type="checkbox"/> A <input type="checkbox"/> B
7.	<input type="checkbox"/> A <input type="checkbox"/> B
8.	<input type="checkbox"/> A <input type="checkbox"/> B
9.	<input type="checkbox"/> A <input type="checkbox"/> B
10.	<input type="checkbox"/> A <input type="checkbox"/> B

Please list any food allergies that we should be aware of: _____

Please return all forms to Dover Youth to Youth by Friday October 26th.

**Submit Form
Electronically**

Descriptions of Conference Tracks

The conference will consist of keynote presentations that all participants will attend. Workshops will be divided into tracks described below. Students need to select a track when they register.

TRACK A: Advanced Topics: Students in this track will be provided hands-on training in 2 core areas of advocacy. (1) Presentations: we will provide attendees with a lesson plan and teach them to present an E-cigarette/Vape lesson suitable for delivery to grades 5-8 (with modification, delivery at higher grades or to parents). Each community attending will be provided with a flash drive containing the PowerPoint, lesson plan, and other resources needed to conduct an e-cigarette campaign. (2) Policy Change & Legislation: participants will attend training on passing legislation locally and at the state level by focusing on efforts statewide to pass legislation that would prohibit the sale of tobacco to those 21 and older. Although the training will provide an understanding of the process generally – we will also provide attendees with examples of the wording of the law, testimony by students at hearings, press release used, and other information that could be used to propose your own local ordinance or to testify at the expected State House hearing later this winter.

TRACK B: Advocacy Track: This track is designed to provide core advocacy skills and hands-on opportunities to apply them. The advocacy track will provide skill development in public speaking, exercises to practice the skills described, attendees will learn skits and radio PSAs that can be recorded at a later time, and related workshops. The B Track attendees will themselves be broken down into smaller workshops where students can choose to get training on delivering the Samantha Skunk Presentations in schools or develop ideas for an original radio spot or ideas for a short film (for groups that will be entering the Film Festival this year).
